dated 10th September 1943 pending the posting of a duly qualified Assistant Sanitary Inspector by the Director of Public Health against this vacancy Further according to Government Order No L 3947-50/26-39-32 dated 26th October 1939 the existing Sanitary Overseers and Maistries in the Bangalore and Mysore City Municipalities should be gradually replaced by appointing Assistant Sanitary Inspectors on a uniform pay of Rs 25-1-35 the existing Overseers and Maistries being absorbed in suitable vacancies in other sections of the City Municipalities

2. The Director of Public Health stated in his letter dated 23-12-1943 that the posting of a duly qualified Assistant Sanitary Inspector would be possible only after the new class was opened It is not known whether trained candidates have not become available since 1943 No action seems to have been taken since then either by the Director of Public Health to post a trained hand or by the President Mysore City Municipal Council, to fill up the vacancy regularly It is irregular to continue the interim appointment indefinitely even after 1943 despite certain observation made by Government in their letter No L 3823/Ml 11-43-19 dated 28th September 1943

10/ In the circumstances, the proposal is not acceptable The vacancy may now be filled up as early as possible in accordance with G O No L 3947-50/Ml 26-39-32 dated 26th October 1939 or after advertisement as per rules

11/ The Service Register of the official has not been verified up-to-date

Sir,

Subject - Re the confirmation of Appiah as Sanitary Overseer in grade Rs 20-1-25 after exempting him from the operation of the P S C Rules

In forwarding herewith the application of one Appiah, temporary Sanitary Overseer in grade Rs 20-1-25 stating that he has been working as Sanitary Overseer on Rs 20/- plus 5 CA since 13-4-42 as per G O No L 3135-8/M1 11-43-14 dated 10-9-1943 and praying that his pay may be fixed at Rs 25/- after confirming him in the said post, I have the honour to state that this official is a permanent Head Gangman on Rs 15/- He was appointed to act as Sanitary Overseer temporarily on Rs 20 in grade 20-1-25 + UA 5/- with effect from 13-4-1942 in the superior service in a permanent vacancy and the Government in their order No L 3135-8/M1 11-43-14 dated 10-9-43 were pleased to approve of the arrangement till a duly qualified Assistant Sanitary Inspector was posted by the Director of Public Health, as a special case

Government have in their order No L 3947-50/M1 26-39-32 dated 26-10-39 sanctioned the proposal to replace the existing sanitary overseers and maistries by Assistant Sanitary Inspectors on an uniform pay of Rs 25-1-35 and directed that effect should however be given to this order gradually as and when suitable vacancies occur and when qualified Assistant Sanitary Inspectors become available and that the existing Sanitary maistries may be absorbed in suitable vacancies in other sections The above official has put in a total service of 26 years in this Municipi-

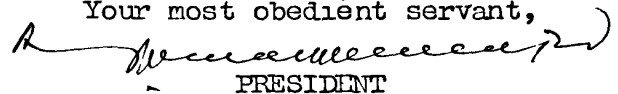

pality He is a permanent Head Gangman on Rs 15/- He was in a permanent vacancy of a Sanitary overseer on Rs 20/- and is working there since 13-4-42 The Health Officer recommends that the pay of the official may be fixed at Rs 25 after confirming him in the existing vacancy in view of the fact that he is strong robust and fit for discharging any executive work most satisfactorily

I may add that in similar instances, the scale of the two pipe line maistries has been revised from Rs 15/- to Rs 20-1-25 + CA5 after exempting the officials from the operation of the Public Service Commissioner Rules as they were in inferior service and treating their services as superior vide Government Order No L 2412-4/M1 11-45-48 dated 25-9-1945, copy of which is herein enclosed

In these circumstances, I request you to kindly obtain sanction of Government for the continuance of Apoliah as Sanitary Overseer and fix his pay at Rs 25/- in grade 20-1-25 permanently after exempting him from the operation of the P S C Rules in view of his long service

The service register of the official and the relative Government Orders are enclosed herein

I have the honour to be,

M Y S O R

Respected Sir,

I beg to bring the following for
your kind consideration and favourable recommendation-

I joined service in this Municipality in the
year 1919 and I have put in 26 years of service so far. I
am working as a temporary Sanitary Overseer on Rs 20/- plus
Rs 5/- from September 1943, as per G O No L3135-B/L 11-43-
14 dated 10th Sept 1943, appointing me as a temporary Sanitary
Overseer as a special case in the permanent vacancy caused by
the retirement of one Dorabai Sanitary Overseer on Rs 20/- plus
Rs 5/- I have been getting this pay of Rs 20/- against
Rs 25/- from the last 6 years without any increase to my pay
so far.

In the circumstances explained above, I beg to request
that I may be kindly fixed on Rs 25/- after confirming me in the
said post, since I have put in a very long service of 26 years
in this Municipality, so that I may atleast reach Rs 25/- before
I retire from service. As regards my work and character, it is
needless for me to say anything, since you are fully aware of the
same.

Hoping that my humble prayer will kindly meet your
sympathetic consideration and my case strongly recommended to the

Pre ident, City Municipal Council, Mysore

For which act of kindness, I shall ever remain grateful to you,

I beg to remain,

Sir,

Your most obedient servant,

To

The President, M. M. C.
Mysore

Sir,

With reference to your
letter no Mb-293-171/46-47 dated
29-1-47 on the above subject, I
am directed to state observe that
the permanent appointment of
Appiah as a ^{2nd} class gangman in
the Mysore City Municipality belongs
to Superior Service and temporary
appointment as Sanitary Overseer
was sanctioned in G.O. no L 3135-8-
M 11 43-14, dated 10-9-1943,
pending the posting of a duly
qualified Assistant Sanitary Inspector

by the Director of Public Health against this vacancy.
Further, according to G.O. No. L-38-47, 50/26-39-32
dated 26-10-1939, the existing Sanitary overseers
and Masters in the Bangalore and Mysore City
Municipalities should be gradually replaced by
appointing Assistant Sanitary Inspectors on a uniform
pay of Rs 25-1-35, the existing overseers and
Masters being absorbed in suitable vacancies
in other sections of City Municipalities.

The Director of Public Health stated in
his letter dated 23-12-1943 that the posting of a
fully qualified Sanitary Inspector would be possible
only after the new class was opened & it
not clear whether trained candidates have not
become available since the year 1943.

No action seems to have been taken since then,
either by the Director of Public Health to post a
trained hand or by you to fill up the vacancy
regularly. I am to point out that it is
irregular to continue the interim appoint-
ment indefinitely, even after the year 1943,
despite certain observations made by the Govt
in their letter no L-38-23/Mt 11-43-48 d 28-9-43.
In the circumstances, the above proposal to

Confirm App. as Sanitary Overseer
is not acceptable to the Govt. Action
may kindly be taken to fill up the
vacancy in question ^{early} in accordance with
G.O. No. L 3947-50 / Mdt 26-39-32 dated
28-10-1937 or after advertisement as
per rules

It is ^{also} not clear why the Service Register
of this official has not been verified
up to date

I am further to observe that the proposal in
question should have been submitted to Govt.,
through the Public Service Commissioner in
Mysore, in accordance with G.O. No. E 1274-
340 / Adp-s 68-45-2 dated 22-8-1946, as
it involved exemption from the operation of
the Rules of Recruitment

SUBJECT Confirmation of Appiah as Sanitary Overseer in
grade 20-1-25 after exempting him from the
operation of the Public Service Commission rules

Sir,

With reference to your letter No. 6-202-171/46-47 dated 26th January 1947 on the above subject, I am directed to observe that the permanent appointment of Appiah as a Head Gangman in the Mysore City Municipality belongs to Inferior Service. His temporary appointment as Sanitary Overseer was sanctioned in Government Order No. L 3135-8/1 11-43-14 dated 10th July 1943, pending the posting of a duly qualified Assistant Sanitary Inspector by the Director of Public Health against this vacancy. Further, according to Government Order No. 3017-50/26-7-32 dated 26th October 1939, the existing Sanitary Overseers and Assistants in the Bangalore and Mysore City Municipalities could be mutually replaced by appointing Assistant Sanitary Inspectors on a uniform pay of Rs. 20-1-35, the existing Overseers and Assistants being absorbed in suitable vacancies in other sections of City Municipalities.

The Director of Public Health stated in his letter dated 27th December 1943 that the posting of a duly qualified Sanitary Inspector would be possible only after the new class was opened. It is not clear whether trained candidates have not become available since the year 1933. No action seems to have been taken, since then, either by the Director of Public Health to post a trained person or by you to fill up the vacancy regularly. I am to point out that it is irregular to continue the interim appointment indefinitely, even after the year 1943, despite certain observations made by the Government in their letter No. L 3623/11-74-19 dated 28th September 1943. In the circumstances, the above proposal to confirm Appiah as Sanitary Inspector Overseer is not acceptable to the Government. Action may kindly be taken to fill up the vacancy in question early in accordance with Government Order No. L 3947-50/1 26-39-32 dated 26th October 1939 or after advertisement as per rules.

It is also not clear why the Service Register of this official has not been verified upto date.

I am further to observe that the proposal in question should have been submitted to Government through the Public Service Commissioner in Mysore, in accordance with Government Order No. L 1274-34/22P 3 68-45-2 dated 22nd August 1946 as it involved exemption from the operation of the rules of recruitment.

The Service Register of the official is herewith returned.
